DURAMAX MARINE LLC

**MARCO Global is a division
of the MARCO Chilena
group of companies.**

Working closely with our team of companies, MARCO Global's offerings range from entire MARCO fishing systems, sales and service of the full line of MARCO deck machinery, and all other equipment used in marine and industrial applications. We represent a wide range of product lines including hydraulic pumps, motors, valves, filters, refrigeration equipment, steering equipment, engine parts, and electronics.

The Marco Global Commercial Sales Division are specialists in consolidating & coordinating orders domestically & internationally. Our special pricing discounts with many different suppliers allow us to offer you the lowest prices available and the convenience of ordering through one supplier.
